

**The best medical malpractice protection requires
all of us working together for YOU!**

MedChi + Unity Insurance + Medical Mutual

Is Unity Insurance (formerly MedChi Insurance Agency) your appointed broker for Medical Mutual? If not, we should be! And, here's why:

- We are the only Medical Mutual broker that directly **benefits YOU**. Our profits are reinvested back to MedChi — your voice with legislators and regulators to create a positive practice environment in Maryland.
- We serve the insurance needs of MedChi members with a team of experienced and qualified staff who **uniquely understand the business of medicine**.
- We review your policy annually to make sure you are receiving **proper credits specific to your specialty**.
- We offer a **free review of your insurance policies** to support all your practice's insurance needs.

Call today and let Unity Insurance be **your BROKER** for medical malpractice insurance.

You can reassign your broker with no change in coverage and no additional cost! Just sign the required change letter on the reverse side and fax to 410-649-4154 or email Ron Kendall. Please reply by December 3rd.

(If we are your current broker, please let us take this opportunity to say THANK YOU for allowing us to serve your insurance needs!)
